Public Service Commission  
P.O. Box 812  
Charleston, WV 25323-0802

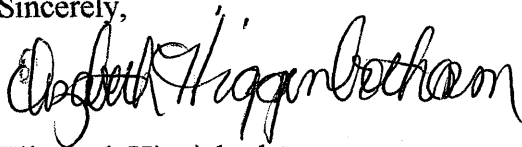

Dear Mr. Walker,

Attached is a copy of the Amendments To Enhanced 911 County Ordinance for your records. On November 18, 1998 the Greenbrier County Commission conducted a hearing to discuss these proposed amendments. There were no negative comments to these amendments at that hearing.

At the regular Greenbrier County Commission meeting on December 8, 1998 these amendments were adopted.

Please call any of the commission members if you have questions or comments.

Sincerely,

Elizabeth Higginbotham  
Administrative Assistant

AMENDMENTS TO ENHANCED 911 COUNTY ORDINANCE

Section 3(b) to be amended to read, "There will be one County answering point (PSAP). The location of such answering point shall be as follows: Greenbrier County Dispatch Center, at the intersection of Arbuckle Lane and Rt. 219, on the former Maxwelton School property, near Maxwelton, WV."

Section 6(d) to be amended to read, "The costs associated with establishing, equipping, furnishing, operating, or maintaining the County answering point and other valid E-911 equipment shall be paid for as follows: General County revenues, grant monies, if available, E-911 fees as allowed by law, and other valid methods deemed appropriate by the Greenbrier County Commission."

GREENBRIER COUNTY COMMISSION

(e) "Enhanced emergency telephone system" means a telephone system which automatically connects the person dialing the primary emergency number to the county answering point and in which the telephone network system automatically provides to personnel receiving the call, immediately on answering the call, information on the location and the telephone number from which the call is being made, and upon direction from the personnel receiving the call routes or dispatches such call by telephone, radio or any other appropriate means of communication to emergency service providers that serve the location from which the call is made.

(f) "Local Exchange Service Line" means the same as defined in the contract attached to this final plan as Appendix A, etc.

(g) "Telephone Company" means a public utility which is engaged in the provision of telephone service.

Section 6 - Imposition of fee; adoption of billing contract; Establishment of separate enhanced 9-1-1 fund; payment of costs not recovered through fee

(a) The imposition, pursuant to section three-cc, article one, chapter seven 7-1-1-cc of the West Virginia Code, of a fee of \$2.00 per month per local exchange service line or line equivalent, except for Tel-assistance lines, is proposed to finance the projected costs of the enhanced emergency telephone system. Such fee is proposed to be reduced when the capital and installations costs have been recovered to offset recurring operational, maintenance and dispatcher costs only. Such fee is not proposed to be used to offset the costs associated with the establishing, equipping, furnishing, operating or maintaining of the county answer point. Such fee is proposed to become effective beginning no later than August 01, 1995.

(b) The County Commission of Greenbrier County adopts and ratifies the contract attached hereby as Appendix A, etc. for the billing of the enhanced emergency telephone system fee by Bell-Atlantic, Alltel, Citizens Telecom, Inc.

(c) All fees remitted under the contract referred to in subsection (b), above, are proposed to be deposited in a separate "Enhanced 9-1-1 Fund."

(d) The costs associated with establishing, equipping, furnishing, operating or maintaining the county answering point shall be paid for as follows: County General Revenues, Grant monies, if available, and 9-1-1 fees as allowed by law.

(e) The other costs listed in Section 5 are proposed to be paid for as follows: County General Revenues, Grant monies, if available, and 9-1-1 fees as allowed by law.

Section 7 - Telephone companies

(a) Upon the adoption of this plan, the terms and conditions of the telecommunications services and facilities provided by the telephone companies will be governed by the applicable tariffs on file with and approved by the Public Service Commission of West Virginia, the rules, regulations and orders of the Public Service Commission of West Virginia and the laws of the State of West Virginia.

(b) The telephone companies that will provide the services and facilities identified in subsection (a) are as follows: Bell Atlantic, Alltel, Citizens Telecom, Inc.

Section 8 - Tariffs, Rules and Regulations, and laws

The final plan for the County enhanced emergency telephone system will be supplemented and superseded by the applicable tariffs on file with and approved by the Public Service Commission of West Virginia, the rules, regulations and orders of the Public Service Commission of West Virginia, and the laws of the State of West Virginia. Such tariffs, rules, regulations, orders and laws will be deemed incorporated in the final plan as if fully set out therein.

Section 9 - Filing of plan with the Public Service Commission

Upon completion and adoption of the final plan for the County Enhanced Emergency Telephone System, the County Commission will send a signed copy of such plan to the Public Service Commission of West Virginia.

THE PRECEDING ORDINANCE WAS PRESENTED AND ADOPTED BY THE GREENBRIER COUNTY COMMISSION at it's regular meeting, Tuesday, May 09, 1995.
