Water Distribution Sites

Kanawha County Emergency Officials, through the assistance of West Virginia American Water and the National Guard, have obtained 'Water Buffalos' and Water Tankers to assist with the distribution of water to the customers of West Virginia American Water Company in the nine counties effected by the chemical spill. Citizens will need to take their own containers, plastic bottles, jugs and pitchers to obtain water at the following locations:

- Crossings Mall in Elkview
- Riverside High School
- South Charleston Recreation Center
- West Virginia State University (Open until 6:00 p.m.)
- Glasgow Fire Department
- East Bank Volunteer Fire Department
- Aldersgate United Methodist Church in Sissonville

If you are elderly, disabled or ill and cannot access water, please call the Emergency Operations Center at [304-746-8828](tel:304-746-8828) for assistance. Water will not be delivered to homes unless there is a serious illness or need.
