TAP FEE

The following charges are to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$100.00 will be charged to all customers who apply for service before construction is completed adjacent to the customer's premises in connection with a certificate proceeding before the Commission. This pre-construction tap fee will be invalid after the completion of construction adjacent to an applicant's premises that is associated with a certificate proceeding.

A tap fee of \$350.00 will be charged to all customers who apply for service outside of a certificate proceeding before the Commission for each new tap to the system.

(I) LEAK ADJUSTMENT RATE

\$3.36 per 1,000 gallons is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate shall be applied to all such consumption above customer's historical average usage.

RECONNECT FEE

\$25.00 – To be charged whenever the supply of water is turned off for violations of rules, non-payment of bills or fraudulent use of water.

RETURNED CHECK CHARGE

The Association may not collect any fee greater than that charged to it by a banking institution and under no circumstances shall the fee collected by the Association exceed \$15.00.
