(C) **CONNECTION FEE**

A connection fee of three hundred dollars (\$300.00) shall be charged for all new connections onto the water system outside of a certificate project. For connections during a certificate project, the connection fee is \$100.00. Commercial and/or industrial connections shall be charged in accordance with current requirements of the WV Public Service Commission. No connection is to be made until this fee is paid per tariff rules.

(O)

(I) **RECONNECTION FEE**

\$25.00

To be charged whenever the supply of water is turned off for violation of rules, non-payment of bills or fraudulent use of water.

DELAYED PAYMENT PENALTY

The above schedule is net. On all amounts not paid in full when due, ten percent (10%) will be added to the net current amount unpaid. This delayed payment penalty is not interest and is to be collected only once for each bill where it is appropriate.

STEP 1 (Continued)

RETURNED CHECK CHARGE

A service charge equal to the actual bank fee assessed to the water utility up to a maximum of \$25.00 will be imposed upon any customer whose check for payment of charges is returned by their bank due to insufficient funds. No such charge shall be assessed if the customer has paid a sewer returned check charge for the same check.

(I) **LEAK ADJUSTMENT**

\$1.22 per 1,000 gallons is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on customer's side of the meter. This rate shall be applied to all such unusual consumption above the customer's historical average usage.
