Title

RULES AND REGULATIONS

- I. Rules and Regulations for the Government of Water Utilities, adopted by the Public Service Commission of West Virginia, and now in effect, and all amendments thereto and modifications thereof hereafter made by said Commission.
- II. Residences which have been converted into two or more separate living quarters will be supplied with service through separate meters; provided, however, that in instances where this is impracticable such residences may be supplied with service through a single meter and the owner or lessor of the residence will be billed under the applicable residential service schedule, with billing blocks increase in proportion to the number of living quarters served.
- III. The plumbing on the premises of all new customers be equipped with a shut off valve. In the event the Town is required to turn off the water to a customer not having a shut-off valve, service will not be resumed until the customer has installed a shut-off valve.

DISCONNECT FOR-NON PAYMENT

The utility may disconnect service to any customer for non-payment of bill but must first make a diligent effort to induce the customer to pay the same and no discontinuance shall be effected until after a least twenty-four (24) hours written notice to the customer.

MULTIPLE OCCUPANCY

On apartment buildings, or other multiple occupancy buildings, each family or business unit shall be required to pay not less than the minimum monthly charge herein established for a five-eighths inch meter. Motels and hotels shall pay according to the size of meter installed.

RULES AND REGULATIONS (Continued)

TRAILER COURTS

House trailer courts shall be provided with a master meter. No bill shall be rendered for less than the minimum bill herein established for a five-eighths inch meter, multiplied by the number of units situated on the court site at the time the meter is read or the actual charge for the size meter installed, whichever is greater. House trailer (as used hereinabove) shall include both mobile and immobile units.

House trailers, either mobile or immobile, located on sites other than a park or court, shall be billed in the same manner as any other family or business unit.

SECURITY DEPOSIT FEE

A security deposit may be required only as provided by and in conformity with Rule 4.02 of the Rules and Regulations for the Government of Water Utilities, issued March 1, 1977, and effective May 1977.

APPLICABILITY

Applicable within the entire territory served.

(O)

(C) TAP FEE

The following charge of \$850.00 is to be made whenever the utility installs a 5/8" or 3/4" new tap to serve an applicant. Time and material for any tap of 1' or greater will be charged to serve an applicant.

A tap fee of \$850.00 will be charged to customers who apply for service outside of a certificate proceeding before the Commission for each new tap to the system.

LEAK ADJUSTMENT

\$1.87 per 1,000 gallons is to be used when the bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above the customer's historical average usage.

SECURITY DEPOSITS

\$50.00 or 2/12 of the average annual usage of the applicant's specific customer class, whichever is greater.

MUNICIPAL EXCISE TAX SURCHARGE

The municipality listed below having imposed a public utility tax computed on the basis of two percent of the revenues from water sales by the Berkeley Springs Water Works within the corporate limits of such municipality, said tax shall be billed as a "surcharge" to the customers receiving service within said corporate limits.

The water utility is required to collect the utility tax pursuant to West Virginia Code §8-13-5a.

Customers receiving water service within the corporate limits of the specified municipality shall pay a surcharge based on the following surcharge rates:

	Utility Excise Tax	
Municipality	Local Tax Rate	Surcharge Rate
Town of Bath	2%
