Title

RULES AND REGULATIONS

- I. Rules and Regulations for the Government of Sewerage Utilities, adopted by the Public Service Commission of West Virginia, and now in effect, and all amendments thereto and modifications thereof hereafter made by said Commission.

BILLING, COLLECTION AND DISPOSITION

The sewerage service charges, surcharges and fees, levied by or pursuant to this article shall be billed and collected for the Sanitary Board by the Water Board pursuant to Subsection 5, Section 27 of the Charter. Billing and collections shall be made pursuant to such terms, arrangements, agreements for the reimbursement of costs and agreements as may be determined by contract between the Sanitary Board and the Water Board. All sewage charges collected by the Water Board shall be accounted for monthly and paid to the Sanitary Board. All money received by the Sanitary Board shall be deposited to its credit and shall be paid out on order of the Sanitary Board for such purposes as may be allowed by Law.

In the event of default in the payment of any sewerage service charges billed as provided herein, and such default shall continue for a period of sixty (60) days after the same has become due and owing, the water Board shall proceed to give the user of such service notice that unless said account has been paid in full within the time provided by law and by the regulations of the Public Service Commission of West Virginia that water service will be discontinued at said location until all water and sewerage service charges have been paid in full. If the user of such service has not brought all payments up to date by the time stated in said notice, then the Water Board shall forthwith discontinue water service to that address until all payments for water and sewerage services at such location have been fully paid.
