SCHEDULE I (Continued)

MULTIPLE OCCUPANCY

The operators of apartment buildings or other multiple occupancy buildings may require separate metering for each unit therein. Alternatively, buildings may be provided with a master meter, in which case the charge for water service shall be the actual charge for water used according to the schedule set forth herein.

TRAILER COURTS

The operators of house trailer courts may require separate metering for each site upon which a house trailer may be set. Alternatively, house trailer courts may be provided with a master meter, in which case the charge for water services to such house trailer court shall be the actual charge for water used according to the schedule set forth herein. House trailers, as used herein shall include both mobile and immobile units.

(D) LEAK ADJUSTMENT

\$2.08 per 1,000 gallons is to be used when a bill reflects unusual consumption which can be attributed to eligible leakage on the customer's side of the meter. This rate shall be applied to all such consumption above the customer's historical average usage.

DISCONNECT/RECONNECTION CHARGES:

That there will be a fee of ten dollars (\$10.00) shut-off/turn-on charge, payable in advance or at such time that service is restored. This is for disconnection/reconnection requested by customer.
