STEP 1 RATES (Continued)

RECONNECTION FEE

Twenty-five dollars (\$25.00)

TAP FEE

The following charges are to be made whenever the utility installs a new tap to serve an applicant.

A tap fee of \$400.00 will be charged to customers applying for service before construction is completed adjacent to the customer's premises in connection with a certificate proceeding before the Commission. This pre-construction tap fee will be invalid after the completion of construction adjacent to an applicant's premises that is associated with a certificate proceeding.

A tap fee of \$800.00 will be charged to all customers who apply for service outside of a certificate proceeding before the Commission for each new tap to the service.

BAD CHECK – RETURNED CHECK CHARGE

If a check received is returned by the bank for any reason, the bank's charge to the City may be charged to the customer for such a bad check, but such charge to the customer shall not exceed \$25.00.

(I) INCREMENTAL COST OF WATER

\$4.76 per M gallons. To be used when the bill reflects unusual consumption which can be attributed to eligible water leakage on the customer's side of the meter. This rate shall be applied to all such unusual consumption above the customer's historical average usage.
