### The Public Service Commission of West Virginia

#### Directions

**From the North**, take I-79 or I-77 SOUTH to Charleston. As you approach Charleston, you will see signs indicating I-64. Take the middle lane, I-64 EAST towards Beckley and where the lane splits, take the **left** fork of that lane. (I-64 EAST and I-77 SOUTH run together on the same highway).

Just ahead where I-64 and I-77 merge, merge right twice until you get into the exit only lane for exit #100. Take Exit #100 Leon Sullivan Way. Merge left with the westbound off ramp towards Leon Sullivan Way then get into the leftmost lane before you get to the first light.

**From the East and South**, travel WEST on the WV Turnpike (*toll road*) (I-64 WEST, I-77 NORTH), take Exit #100 Leon Sullivan Way. Stay in the exit lane until you reach the bottom of the ramp, then get into the leftmost lane before you get to the first light.

**From the West**, take I-64 EAST to Charleston all the way until you reach Exit #100 Leon Sullivan Way. Stay in the exit lane until you reach the bottom of the ramp (watch for merging traffic), then get into the leftmost lane before you get to the first light.

**From the first light**, drive straight through to the second light (Clay Center will be on your left). Turn left at the second light onto Lee Street. Get into the rightmost lane. Ahead you will see a stop light and the PSC parking building on the right (parking building sits on the corner of Brooks and Lee). Make a right into the alley that runs along the parking building. At the stop sign, make a left and then an immediate right. Visitor parking is adjacent to the main building.

Enter the main lobby in the front of the building. Go to the security desk, sign in and obtain a Visitor Badge. This is for safety reasons - all visitors **must** sign in.
